SECTION 3 — CONSTRUCTIVE / RESULTING TRUST OPINION (Original Trustee’s Failure to Express the Trust) When an ancestor holding property beneficially fails to: • express a trust, • complete an intended trust, or • distribute according to fiduciary obligations, The law imposes: 1. Resulting Trust — trust results back to the estate and its rightful beneficiaries. 2. Constructive Trust — fiduciary obligations arise to prevent unjust enrichment. Authorities Applied: • Trustees Act 1962 (WA) ss 10, 13, 65, 109 • Trustee Protection Act 1931 • Trustees Act 1900–1957 Conclusion: The unexpressed ancestral trust devolves through the executor chain to the present continuing trustee, Sandi Matic, who now holds: • full fiduciary authority, • power of reclamation, • right of vesting, • right to settle all ancestral property into the Private Family Trust for Luka and Archie.
